

REMARKS

Applicants note that claims 1-6, 9, and 21-30 are allowed. However, claims 10-20 stand rejected under 35 U.S.C. §103(a) as being unpatentable over Chen. In response, Applicants cancel claims 10-20 without prejudice. In light of the amendments, Applicants request allowance of pending claims 1-6, 9, and 21-30.

Finally, Applicants note that correspondence regarding this case is being sent to an incorrect address. Applicants filed a Revocation and Power Of Attorney and Change of Correspondence Address on December 11, 2003. The Revocation was faxed to the Patent Office, and appears to have been successfully received on December 11, 2003. In addition, Applicants brought this matter to the Office's attention in the response dated October 1, 2004. For the Office's convenience, Applicants include another copy of Revocation and Power Of Attorney and Change of Correspondence Address, as well as the fax cover sheet and automated reply from the Patent Office. Applicants request all future correspondence to be directed to David Bennett of the law firm of Coats and Bennett at the address detailed therein. If there is any problem with the Revocation, or the Office is unable to comply with this request, the Examiner is invited to contact the undersigned to resolve the issue.

Respectfully submitted,
